Work Experience

Business Operations – Jan 2026 to May 2026

Officeflux – Dubai, UAE

- Developed an automated Excel-based follow-up tracker that streamlined customer outreach, improved visibility of pending actions, and enhanced operational efficiency.
- Managed lead databases, quotation tracking, and customer follow-ups using Excel and Zoho CRM, ensuring accurate records and timely engagement.
- Coordinated with customers, suppliers, logistics partners, and installation teams to ensure seamless order fulfilment and project delivery.

Business Manager – Oct 2024 to May 2025

Publicis Global Delivery (PGD) – Mumbai, India

Industry: B2C (Home & Kitchen Appliance), OTT, E-Commerce (Apparel, FMCG Retail)

- Analysed spends & revenue data in Excel of a B2C brand along with researching product demand data (Google Trends) to adjust 2025 media plan resulting in 40% increase in revenue compared to last year.
- Used Big Query to integrate data from multiple sources and created performance dashboards in Looker Studio and Power BI. Thus, reduced time on reporting by 17%.
- Secured 7% higher annual budget for a brand in 2025 via a comprehensive PPT presentation of the forecast.

Associate Manager – Jul 2023 to Sep 2024

Publicis Global Delivery (PGD) – Mumbai, India

Industry: B2C (Home & Kitchen Appliance), OTT, Electricity, E-Commerce (Apparel, FMCG Retail)

- Analysed large datasets in Google analytics (GA4), Big Query using SQL, and Power Query/Excel.

- Comparing attribution models and studying the sales funnel (top, middle, bottom).
- Managed €1M+ quarterly budgets, introducing automation that cut pacing time by 50%.
- Analysed e-commerce customer journey, identifying drop-off points & suggesting actionable improvements
- Identified and resolved a URL issue impacting SEM performance, improving conversion rates by 12%.
- Managed and optimized multi-channel campaigns across Google, Meta, YouTube, Apple App Store, etc.

Biddable Media Analyst – Jan 2022 to Jun 2023

Publicis Global Delivery (PGD) – Mumbai, India

Industry: OTT, Supermarket/ E-commerce (FMCG Retail), B2B Medical

- Managed display & retargeting campaigns leading to bounce rate ↓30% and conversion rate ↑25%.
- Oversaw product feed accuracy in Google & Meta, ensuring compliance and seamless campaign delivery.
- Improved lead quality by 18% by recommending CRM (HubSpot) integration.

SEM Analyst – Feb 2020 to Jan 2022

ReachLocal – Mumbai, India

Industry: Automobile, Oil & Gas, Pest Control, Residential Cleaning, Real Estate

- Handled Google & Bing accounts, documenting changes, resolving issues and reporting critical changes.
- Increased business via partner agency by 25% by strengthening client trust.
- Improved quality control by flagging errors, leading to a new ad copy review process.
